## Run to Home Base

Illustrating a truth of [The Father's Heart of Love](#) (Main Healing Lesson 10)

Jesus came to reveal the Father (John 14:8-10) who is the Source of life and love. Consider carefully the five truths listed above. If this is who God really is to you and for you, then actually knowing and believing it will produce joy and peace in you and love through you in any moment of your life in which you touch this living reality by faith (Romans 15:13). Faith is what puts us in touch with REALITY. Not to live in a faith like this is to live a bad dream from which One Day we will all be awakened in His Presence. Why not awaken now? School your heart in these five glorious truths and **begin each day in the Sonshine of your Father's heart of love!**
